Age Requirement

The child must be between the ages of 7 to 14 to attend the Hifz program. However, the Coordinator may accept students outside this age group based on merit and exceptional circumstances.

Schedule

DUA class hours are as follows:

Monday – Thursday and Saturday: 8:00 a.m. to 2:00 p.m.

Friday: 8:00 a.m. to 12 p.m.

The teacher will be on duty to receive students from 7:45 a.m. to 8:00 a.m. Parents must not leave their child at school before 7:45 a.m. After 8:00 a.m. the student is considered tardy, and the parent/guardian/authorized drop-off person will be responsible for taking the children to his/her appropriate class.

Student Release

A student shall not be released from school at times other than regular dismissal hours except with office approval and sign-out procedures. Only those authorized by the parents are allowed to pick up students. Parents/guardians or authorized pick-up persons must pick up their children promptly by 2:00 p.m. Monday – Thursday and Saturday, and by 12 pm on Friday.

Late Pick Up

DUA will not be responsible for students who are not picked up by 2:15 p.m. Monday – Thursday and Saturday and 12 pm on Friday.

Tardy Policy

Punctuality is an essential element of a good work ethic. “Tardy” means the student is not in his/her class by 8:00 a.m. An adult must accompany any student who arrives after 8:00 a.m. to class.

Excuse from Outdoor Activities

Physical Education (PE) is an integral part of the total education of the child. In accordance with state standards we also schedule periodic recesses to give children the opportunity of getting fresh air and sunshine, which is essential to good health. It has been proven that PE and recess improve the academic achievements of students. We will not conduct outdoor activities when it is extremely cold or rainy. But weather permitting, children are expected to participate in all outdoor activities unless there is a health reason that prevents them from going outside. A parent/guardian may write a note to the teacher excusing one’s child from the PE class only if the child is not able to participate due to medical reasons stated by a professional doctor.

Inclement Weather Days

The School will close if there are extreme weather conditions. All efforts will be made to inform the parents/guardians in advance. Unless notified otherwise, parents should assume that the school will be closed if there are severe and disastrous weather warnings.

Health Services

Emergency Numbers

Parental cooperation is essential in providing for student health care needs that may arise during the school day. This includes making sure that a parent or guardian can be reached in case of a child’s illness or accident. A telephone number at which a parent can be reached during school hours is required as well as an alternative number of a relative or friend. It is the parents’ responsibility to keep these numbers current.

Illness

Because we want to make our program as successful as possible, we must ask that children who are sick be kept home. A child may not attend school with a fever (100 degrees or higher) and must be fever free for at least 24 hours before returning to school. Lengthy illnesses may require a doctor's notification. A student will be sent home because of a health need if he/she:

1. Has a fever, has diarrhea, or vomits
2. Appears ill and is unable to do class work
3. Is suspected of having a contagious condition
4. Sustains an injury which needs medical attention
5. Has active head lice

If a child is ill and the parents cannot be reached or if the illness or injury is serious, the School will call 911 for emergency care.

Contagious Conditions

If your child has a contagious condition such as chicken pox, strep throat, measles, mumps, head lice, etc. the parent of the child should notify the school immediately. Children with a contagious condition must stay home from school.

Injury

While we do everything we can to avoid injuries, accidents do happen. If a child is hurt while at NAMCC, an incident report will be filled out with one copy being sent to the parents and one copy kept in the school.

Medicine

If at all possible, the child's medication plan should be given outside of school hours. If it becomes necessary for the student to take medicine during school:

1. A form should be signed by the parent or legal guardian stating:
 - a. The name of the child and teacher
 - b. The name of the medicine
 - c. Dosage
 - d. The time to be given
2. No student will be allowed to keep his/her own medicine.
3. Prescription medicine must be in the original pharmacy container and include all original labels.
4. The medicine will be returned home with the child daily.

Immunizations

In accordance with standards required by the Texas Department of Health, these immunizations are required:

- Polio: 3 doses (one on 4th birthday)
- Tetanus/Diphtheria, pertussis (DPT) 3 doses (one after 4th birthday)
- Measles, Rubella, mumps vaccines (1st birthday)
- Haemophilus influenza (between 18 months and 5th birthday)

- Hep B – series of three shots required for children born after 9-2-92
- TB skin test – highly recommended

It is the parent's responsibility to ensure that the student's immunization record is up to date.

Discipline and Student Behavior

Philosophy

At DUA, we expect our students to demonstrate self control and high standards of moral conduct. The purpose of the student code is to develop in students a sense of responsibility, to aid their growth in self discipline, and to teach them to take responsibility for their actions. Students and their parents are expected to follow the school rules. The school staff provides guidance and reinforcement to students and their parents. The classroom teacher will take primary responsibility for student discipline. The classroom teachers will model and teach appropriate Islamic behavior. When students behave in the desired manner, the teacher provides positive feedback. When students behave inappropriately, the teacher constantly enforces the consequences. Appropriate disciplinary measures that may be taken by teachers, adult volunteers and monitors are: verbal reminders, redirection, time out, peer mediation, or school clean-up assignment. In the event of a serious violation such as fighting or direct insubordination, the referring adult must immediately fill out an office referral form.

Classroom Rules

Teachers will employ a system of discipline that is age appropriate for the students under their responsibility. They will develop and implement classroom rules in accordance with the school's goals, philosophy, and rules. The classroom rules will be positive rules; their number kept to a minimum. A well-disciplined classroom is one in which the students know and understand the importance of the classroom and school rules. They have the self-awareness and self-control necessary to be able to follow the rules and they understand that they will be held accountable for their actions. The teachers will reach these rules in a manner that will foster self-discipline and a sense of self-awareness and accountability in the students.

Teachers Responsibilities

Teachers are responsible for but not limited to:

- Being an example of good moral character in both behavior and appearance
- Forming appropriate expectations for students
- Providing adequate supervision of all children in their class
- Providing functional and relevant instruction
- Setting the limits and consistently enforcing the school's standard of conduct

Students Responsibilities

Students are expected to (but not limited to):

- Show respect for themselves and others
- Follow the classroom rules and the directions of all school staff

The school is not responsible for any personal items that are lost, stolen or broken.

Corporal Punishment

DUA teachers, staff, volunteers, etc. will not use or condone corporal punishment under any circumstances. This includes hitting, pushing, pinching, etc. If you feel your child has been abused, please contact the office immediately. We believe that physical punishment only reinforces bad behavior.

- Parents have the right to know what their children are studying in each classroom and teachers have the responsibility to communicate this to parents in a clear format. Parents also have the right to know about their child's academic progress and results on any assessment tests.

Parent Conferences

Parents may request conferences with teachers, Coordinator, volunteers etc. in regards to their children anytime throughout the school. The School may also request the same.
